

RICHMOND HILL HOCKEY ASSOCIATION

UNDERAGE PLAYER TRYOUT POLICY

Any player who wishes to change age categories must provide to the VP of REP HOCKEY, in writing, a proposal as to the reason for the request. This proposal should include the potential benefit to the player as well as the benefit to the RHHA program. The IP Director will review the proposal and will then present that proposal to the RHHA Board along with a recommendation. The RHHA board will have final say on the proposed movement

Todd Wheeler will handle all request for all players
