Effect on Future Tournaments

Tournaments are fun but can also be a stressful time. Please respect our staff's requests and instructions. The success of this tournament, in terms of respecting Covid-19 protocols, will impact RHHA's ability to run future tournaments this season. RHHA has worked very hard at keeping this tournament running so please do everything you can to ensure that this will be seen as a positive experience for all. Barring additional shutdowns by the government we are as dedicated to our remaining tournaments as we have been to this one. We thank you in advance for supporting us and each other!
